Looking for talent of all types for short Indie film. The shoot will take 2 weekends, but we can work with you on availability. We are looking for creative and engaged individuals! This is not a paid gig, but could be an excellent opportunity to strengthen your resume. There is very little dialog in the film and we will be relying primarily on physical and facial expressions to convey emotion. We would like people to help collaborate and brainstorm on their own characters- really make it yours. This should be a fun project for everyone!

A live CASTING CALL will be held in the afternoon on Saturday April 7th at the The Monroe County Public Library. We will be there from 1 to 5 in room 1A. Come by and talk with us. Bring monologue/material to work with. If you cannot attend please respond to post with resume, head shot, and a short video link (if available) and we will be in touch with you. downtimestudios@gmail.com
